

## 8 HOUR HAZARDOUS WASTE REFRESHER SYLLABUS

**Description:** 29 CFR 1910.120 (e)(1)(i), (e)(8) Course is a refresher for those trainees who completed 40 HAZWOPER and are needing the yearly refresher as required per OSHA regulations

**Course start time:** 8:00am – 4:00pm

**Course Length:** Approximately 8 hours including test. (Course is 7 hours 40 minutes in length with 20 minutes time limit for test)

**Presentation Method:** Power Point with Instructor

**Audience:** Any employee who are trained in Emergency Response at a waste site and who are due for the yearly refresher.

### Subjects covered (topics):

Regulations overview	Hazard classes	Hazard assessment
Fire/explosion	Oxygen deficiency	Biological hazards
General hazards	Electrical hazards	Heat stress
Cold exposure	Noise exposure	Standard 1910.146
Respiratory protection	Levels of Protection	Site control
Decontamination	Teamwork	Incident Critiques
Course review	Final test	

**Objectives:** Upon completion of the course, trainees will have met the following OSHA regulation:

1. 29 CFR 1910.120 (e)(1)(i) - All employees working on site (such as but not limited to equipment operators, general laborers and others) exposed to hazardous substances, health hazards, or safety hazards and their supervisors and management responsible for the site shall receive training meeting the requirements of this paragraph before they are permitted to engage in hazardous waste operations that could expose them to hazardous substances, safety, or health hazards, and they shall receive review training as specified in this paragraph.
2. (e)(8): Refresher training. Employees specified in paragraph (e)(1) of this section, and managers and supervisors specified in paragraph (e)(4) of this section, shall receive eight hours of refresher training annually on the items specified in paragraph (e)(2) and/or (e)(4) of this section, any critique of incidents that have occurred in the past year that can serve as training examples of related work, and other relevant topics.

## **8 HOUR HAZARDOUS WASTE REFRESHER SYLLABUS**
